OUR PASSION

We set the benchmark in value-add logistics by delivering excellence through superior services and solutions

OUR COMMITMENT

24/7/365 – We deliver logistics excellence and create value anytime, anywhere.

www.yellowdiamondconsulting.com

Vision

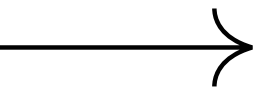

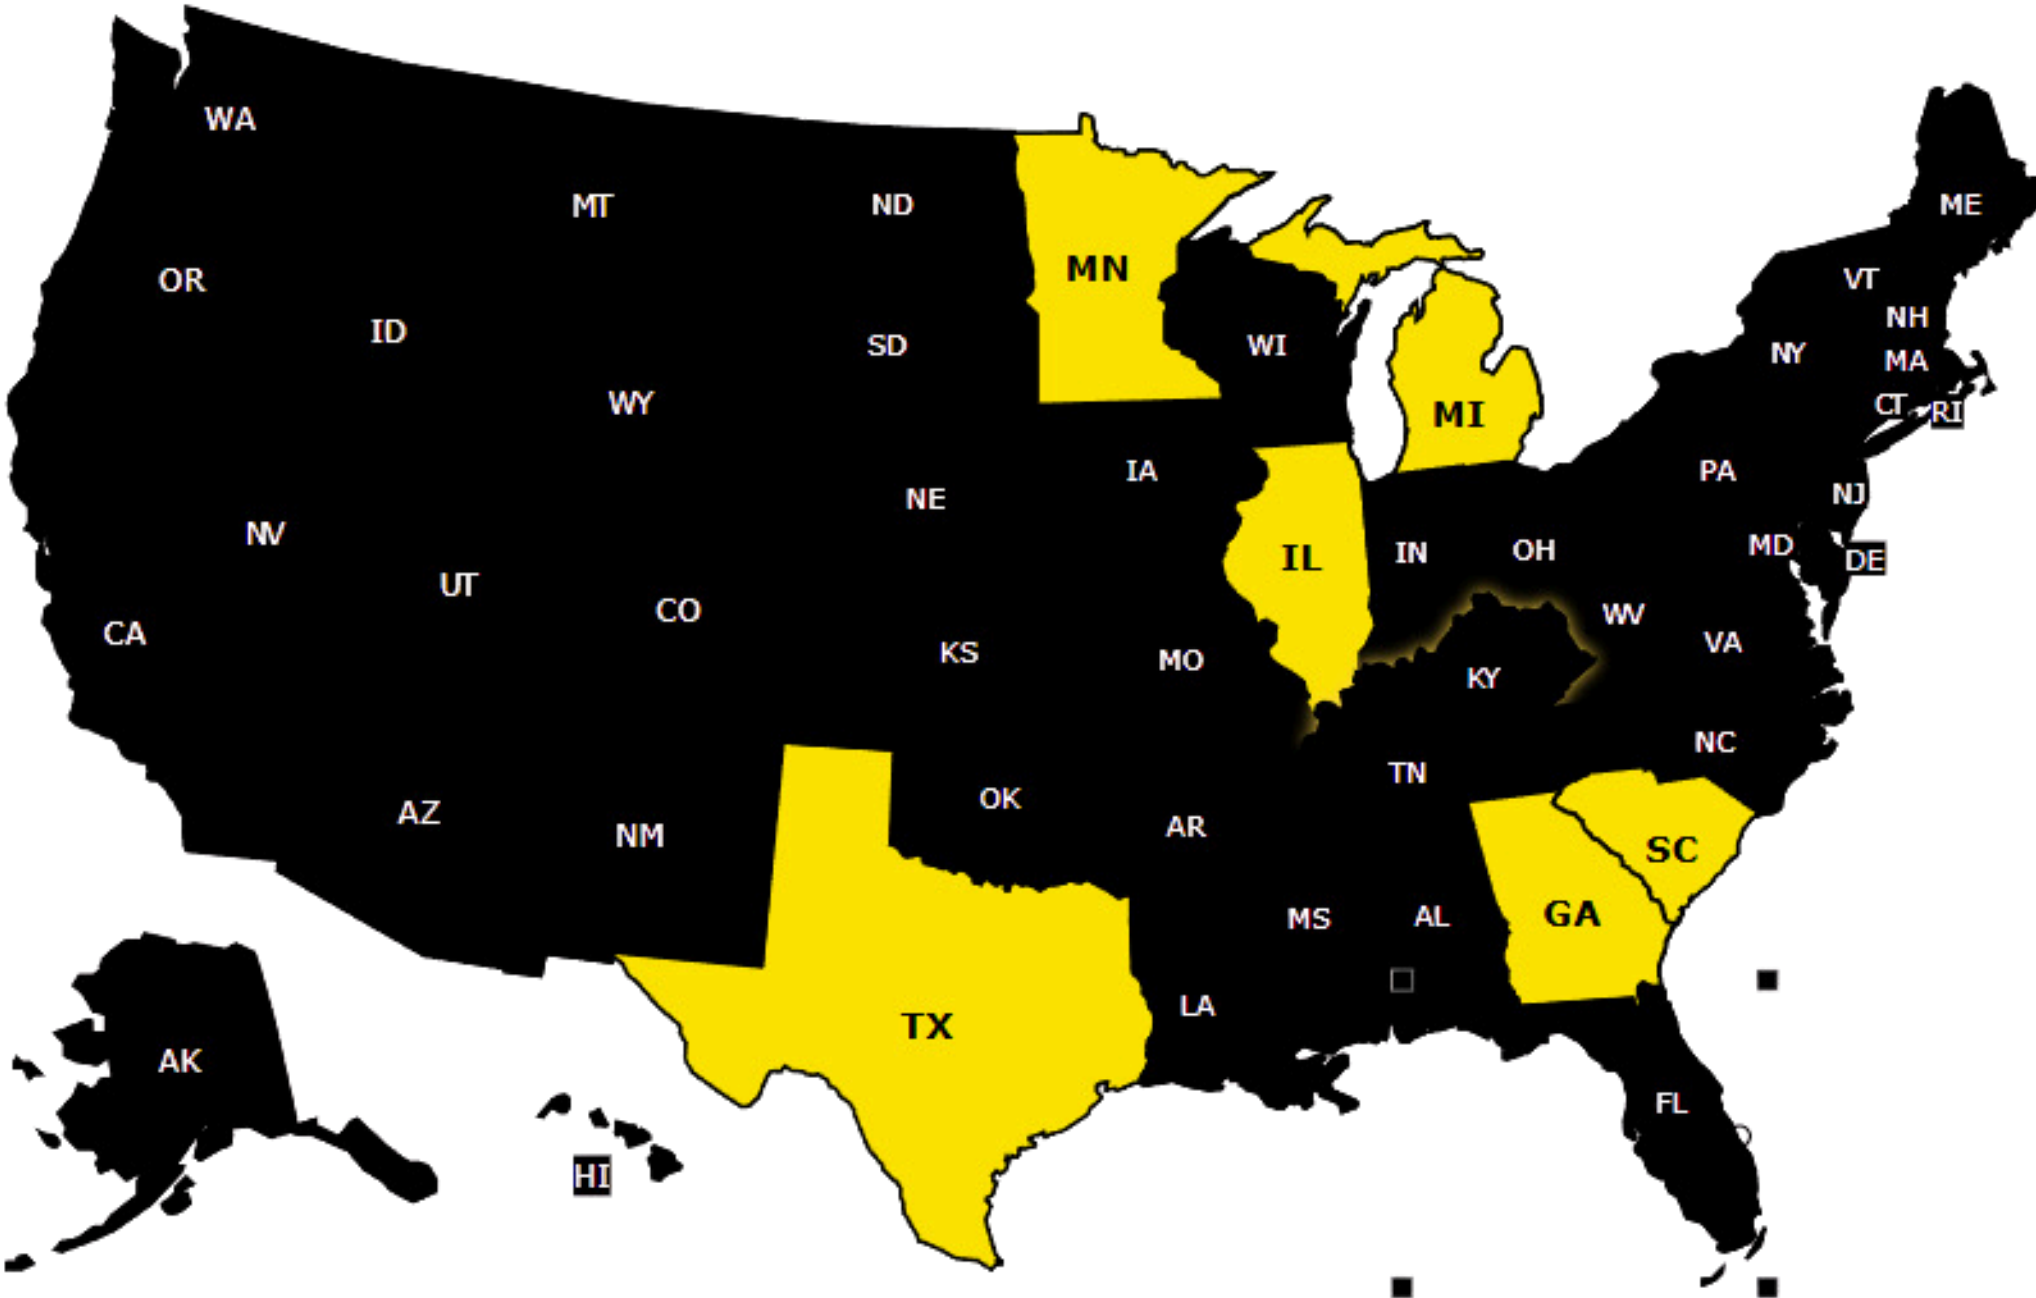

To be the industry's most trusted partner for high-value, time-critical, and unique freight solutions.

Mission

We empower businesses with unparalleled logistics services for high-value and visibility-critical shipments. By leveraging our TSA certification, industry expertise, and innovative solutions, we deliver exceptional care that others can't handle. We partner with proven providers, challenge industry norms, and prioritize quality and security over commoditization. Our goal is to be the dedicated ally for businesses needing more than just transportation—we're their key to supply chain success.

OUR SERVICES

CUSTOMIZED SOLUTIONS

- Our team designs custom processes to optimize efficiency and overcome your unique logistics challenges
- Leverage our advanced 3PL systems for real-time visibility, scalability, and seamless integration.
- Dedicated account managers provide proactive support and a commitment to exceeding expectations.

EXPEDITED SERVICES

- Rapid response within 15 minutes of quote request receipt
- Detailed information on ETA for pick-up and equipment specifics
- Clear communication of total transit time (with team or single driver) and applicable rate

AIR FREIGHT SERVICES

- Ground capacity available to and from all US airports
- Fleet includes straight trucks, sprinter/cargo vans, 53' vans, reefers, and flatbeds
- Versatile drivers for short/local runs or cross-country deliveries
- Tailored solutions based on your specific logistics requirements

TRUCKLOAD SERVICES

- 53-van fleet: team drivers, multi-stop, driver assist, GPS tracking, hazmat, tanker services
- 53-reefer fleet: freeze protection, temperature log printouts, hazmat expertise
- Flatbeds, step decks, RGNs: team drivers, multi-stop, driver assist, hazmat services; Over-dim and heavy haul managed with permits, escorts, routing.

DRAYAGE AND TRANSLOADING

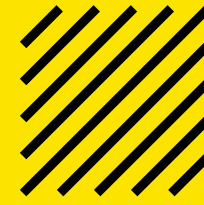

- Leading drayage provider with strong carrier relationships at major North American ports
- Expertise in port intricacies, container types, and commodities for enhanced reliability
- Avoid demurrage and missed cut dates by choosing us, mitigating common industry challenges.

EXPEDITED SERVICES

We respond to all quote requests within 15 minutes, providing ETA, mileage, equipment specs, transit time (team or single driver), and rate. We'll hold the truck for 20 minutes after quoting, though this can be extended if needed.

Our fleet includes Large and Small Straight Trucks, Sprinter/Cargo Vans, and 53' Tractor Trailers - all available in both Dry and Temperature Controlled versions - plus Flatbed Hot-Shots and Curtain Side Vans.
